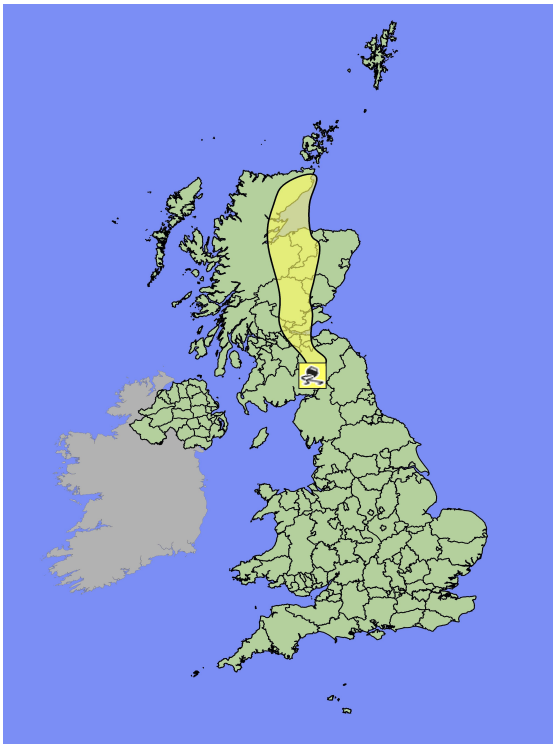
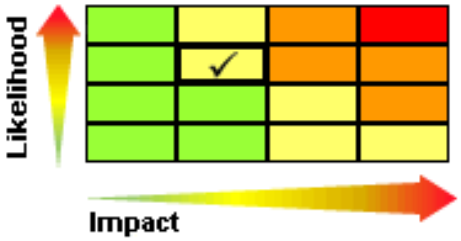
National Severe Weather Warning Service





Chief Forecasters Assessment
A mixture of rain and sleet showers on lower ground, and some snow on higher ground, will have left some roads wet or snow covered. As some salt wash-off may have occurred there is a risk of ice on treated as well as untreated surfaces.

The Met Office have issued a **Yellow Warning** of **Ice**

Valid from **04:00 on Thu, 08th Mar 2012** until **08:00 on Thu, 08th Mar 2012**

Wintry showers will lead to a risk of icy surfaces this morning, along with some snowfalls on higher ground.
The public should be aware of possible difficult driving conditions.
